Practical Trading Strategies

GUY COHEN

## Praise for the First Edition

"Guy Cohen is the master when it comes to taming the complexities of options. From buying calls and puts to iron butterflies and condors, Guy explains these strategies in a clear and concise manner that options traders of any level can understand. ... *The Bible of Options Strategies* is a straightforward, easy-to-use reference work that should occupy a space on any options trader's bookshelf."

—**Bernie Schaeffer**, Chairman and CEO, Schaeffer's Investment Research, Inc.

"The author delivers clarity, insight, and perception, making learning about options a joy, and practicing the art of making money that much easier: truly a bible from a guru."

—**Alpesh B. Patel**, Author and *Financial Times* Columnist

"Guy Cohen truly makes learning about options easy in this fact-filled guide. Bullet points make for a quick and enlightened read, getting to the heart of what you really need to know about each options strategy. This book is a must for any serious trader's library."
