LIFX

Philips Hue

Wink

Other Systems

Using the Philips Hue Personal Wireless Lighting System

# **Table of Contents**

- Connect the Hue Bridge
- Connect to the Hue Dimmer Switch
- Control Your Lights with the Dimmer Switch
- Connect to the Hue App
- Create a Room
- Add More Lights or Accessories
- Turn Lights On or Off with the Hue Smartphone App
- Dim Your Lights
- Adjust a Light's Color Temperature
- Select a Scene
- Create a New Scene
- Create a New Home & Away Routine
- Create a Wake Up Routine
- Create a Go to Sleep Routine

## **4 Automating Heating and Cooling**

### **Understanding Smart Thermostats**

- How Smart Thermostats Work
- Should You Upgrade to a Smart Thermostat?

### **Evaluating Smart Thermostats**

- Carrier Cor Wi-Fi Thermostat
- Ecobee
- Emerson Sensi Wi-Fi Thermostat
- Honeywell Lyric Round Wi-Fi Thermostat
- Honeywell Wi-Fi Smart Thermostat
- Nest Learning Thermostat

### **Using the Nest Learning Thermostat**

- Set Up and Configure Your Nest Thermostat
- Control Your Thermostat
- Set the Temperature

# **Table of Contents**

Program Your Nest

Learning Your Routine

Connecting Your Nest to Other Smart Devices

## **5 Automating Home Security**

### **Adding a Smart Doorbell**

How Smart Doorbells Work

August Doorbell Cam

Ring Video Doorbell

SkyBell HD Wi-Fi Video Doorbell

### **Installing a Smart Door Lock**

How Smart Door Locks Work

August Smart Lock

Kwikset Kevo

Kwikset Premis

Schlage Connect

Schlage Sense

Yale Assure Lock with Bluetooth

### **Using Smart Security Cameras**

How Smart Cameras Work

Arlo Q

Arlo Pro

Canary Flex

Nest Cam Indoor and Outdoor

### **Working with Smart Smoke and CO Detectors**

Birdi

Halo+

Nest Protect

iSmartAlarm

SimpliSafe

## **6 Automating Your Kitchen and Laundry**

### **Understanding Today's Smart Appliances**

Smart Operation

Smart Monitoring

Smart Energy Savings

Smart Maintenance

### **Smarter Food Storage with Smart Refrigerators**

GE Connected Refrigerators

LG SmartThinQ Refrigerators

Samsung Family Hub Refrigerators

### **Smarter Cooking with Smart Ranges and Ovens**

GE Wi-Fi Connected Ovens and Ranges

LG SmartThinQ Ranges

Samsung Wi-Fi Ranges

### **Smarter Dishwashing with Smart Dishwashers**

Bosch Dishwasher with Home Connect

GE Wi-Fi Connected Dishwashers

### **Smarter Cleaning with Smart Washers and Dryers**

GE Wi-Fi Connected Washers and Dryers

LG SmartThinQ Washers and Dryers

Whirlpool

## **7 Automating Home Entertainment**

### **Watching Smart TV**

# **Table of Contents**

What's Inside a Smart TV

What a Smart TV Does

Using a Typical Smart TV

Using a Smart Set-Top Box

## **Streaming Audio Throughout Your Home**

Using the Amazon Echo as a Speaker

Using Google Home as a Speaker

## **Using the Harmony Hub**

Getting to Know the Harmony Hub

What's It Work With?

Setting Up the Harmony Hub

Using the Harmony Hub

## **8 Examining Other Smart Devices and Applications**

### **Smart Devices for the Living Room**

Smart Plugs

Smart Outlets

Smart Wall Switches

Smart Motion Detectors

Smart Window Coverings

Smart Vacuums

### **Smart Devices for the Bedroom**

Smart Bedding and Accessories

### **Smart Devices for the Kitchen**

Smart Coffee Makers

Smart Cooking Appliances

### **Smart Devices for the Garage**

Smart Garage Door Openers

Smart Car Adapter

### **Smart Devices for Outdoors**

# **Table of Contents**

Smart Irrigation Systems

Smart Lawn Mowers

## **9 Controlling Your Smart Home with Wink**

Getting to Know Wink

Setting Things Up

Connect the Wink Hub 2

Add a New Device via Barcode Scanning

Manually Add a New Device

Using the Wink App

Turn a Device On or Off

View Information from a Sensor

Create a Shortcut

Activate a Shortcut

Automating Activities with Robots and Events

Create a Robot

Remove a Robot

Create an Event

## **10 Controlling Your Smart Home with Apple Home**

Understanding Apple HomeKit

How HomeKit Works

What's Compatible with HomeKit

Adding Devices and Rooms

Add a New Device

Add a New Room

Assign an Accessory Device to a Room

Create a Scene

Controlling Your Smart Devices

Control a Device or Scene

Controlling Devices and Scenes with Siri

# **Table of Contents**

## Automating Multiple Devices

- Create a Location Automation

- Create a Time Automation

- Create a Controlled Automation

## **11 Controlling Your Smart Home with Amazon Alexa**

### Understanding Alexa and Echo

- What Alexa Does and How Alexa Works

- Using Alexa as a Smart Home Controller

### Meet Amazon's Echo Devices

- Amazon Echo

- Amazon Echo Dot

- Amazon Echo Show

- Which Echo Is Right for You?

### Setting Up Your Echo Device

- Set Up Your Device

- Changing the Wake Word

### Working with Alexa

- Employ General Commands

- Tell Alexa What to Do

### Using the Alexa App

- Tour the Alexa App

- Link Accounts from Other Services

### Working with Alexa's Skills

- Find a Skill

- Add a Skill to Alexa

### Using Alexa to Control Your Smart Devices

- What's Compatible?

- Connect a Smart Device to Alexa

- Working with Device Groups

# **Table of Contents**

Controlling a Smart Device with Alexa

## **12 Controlling Your Smart Home with Google Home**

Understanding Google Home and the Google Assistant

Setting Up and Using Google Home

Set Up Your Device

Navigate and Configure the Google Home App

Working with the Google Assistant

Wake Words

Employ General Commands

Tell the Google Assistant What to Do

Using Google Home to Control Your Smart Devices

What Does Google Home Control?

Pair a Device with the Google Assistant

Use the Google Assistant to Control Your Smart Devices

## **13 Using Smart Technology for Independent Living**

Making Daily Living Easier

Use a Voice-Controlled Personal Assistant

Install Smart Lighting Systems

Employ a Smart Doorbell

Install a Smart Door Lock

Consider a Smart Thermostat

Keeping You and Your Loved Ones Safer

Install a Smart Door Lock

Employ Smart Door and Window Sensors

Add Smart Cameras

Use a Personal GPS Tracker

Employ a Personal Safety Device

Embracing In-Home Care

# **Table of Contents**

## **14 Adding More Functionality with IFTTT**

### **Understanding IFTTT**

How Does IFTTT Work?

Why Would You Want to Use IFTTT?

What Does IFTTT Work With?

### **Using IFTTT Applets**

Link a Device or Service to IFTTT

Find and Activate an Applet

Manage Your Applets

### **Creating Your Own Applets**

Understanding the Parts of an Applet

Create a New Applet

## **15 Evaluating Privacy and Security Concerns**

### **Privacy Concerns**

What Do They Really Know About You?

How Much Privacy Do You Need?

### **Security Issues**

Spyware and Botnets

Seizing Control

### **What Can You Do?**

Making Your Smart Home Safer

Is It Safe Enough?
