# HTML, CSS AND LAYOUT TO BE DANGEROUS

LEE DONAHOE  
MICHAEL HARTL

# Praise for Learn Enough Tutorials

---

“I have nothing but fantastic things to say about @LearnEnough courses. I am just about finished with the #javascript course. I must say, the videos are mandatory because @mhartl will play the novice, and share in the joy of having something you wrote actually work!”

—Claudia Vizona

“I must say, this Learn Enough series is a masterpiece of education. Thank you for this incredible work!”

—Michael King

“I want to thank you for the amazing job you have done with the tutorials. They are likely the best tutorials I have ever read.”

—Pedro Iatzky
