Introduction

PART 1 Focusing on Behaviors to Build Valuable Products

Chapter 1: Measuring Usage Is Only the Beginning

Ambitious Mission Statements, Misaligned Execution

Overuse of Usage Metrics as Success Criteria

How Grand Ambitions Became Usage Obsessions

The Pitfalls of Solely Prioritizing Usage

Measurements of Success Beyond Usage and Usability

Comprehensive Approach to Metrics for Your Team

Chapter Recap

Chapter 2: Exploring the Value of Measuring User Outcomes

Tools That Change Behavior to Satisfy User Needs

Impact Mindset as a Business Strategy

Benefits of Outcome Focus

Chapter Recap

Table of Contents

Chapter 3: Connecting User Behavior to Business Outcomes

The Business Case Necessity

Measurable Behaviors to Measurable Business Outcomes

Standalone Value of Creating a User Outcome Connection Framework

Chapter Recap

Chapter 4: Ensuring Features Make an Impact

Determining Features for Analysis

Validating Feature ImpactA Complete Hypothetical Walkthrough

Coining This Process to Measure the Impact

Chapter Recap

PART 2 Starting an Impact Mindset Culture Change With a Single Project

Chapter 5: Defining the Features Purpose (FIA Step 1)

Arriving at a Clear Definition of a Features Purpose

Uncovering a Features Knowledge

Defining the Features Purpose Using Three Main Types of Evidence

Creating the User Outcome Connection

Solidifying FIA with a Personal Anecdote

Chapter Recap

Chapter 6: Establishing Beliefs About Outcomes with Hypotheses (FIA Step 2)

Balancing Rigor and Practicality in Outcome Verification

Evaluating Assumptions in the User Outcome Connection

Crafting Hypotheses in the Absence of Data

Validating the Connections of the Tasky Chatbot Launch

Chapter Recap

Chapter 7: Scoping the Right Measurements (FIA Step 3, Part 1)

Transforming Raw Data into Decision-Driving Metrics

Approach to Generating Metrics at All Five Levels

Table of Contents

Blueprint for Developing Impactful Metrics

Ideal: Starting with a Vision

Define: Turning the Idea into Measurable Variables

Chapter Recap

Chapter 8: Building Data Collection Systems (FIA Step 3, Part 2)

Technical Stages of Metrics Development

Audit: Assess What Systems You Have Available

Develop: Data Collection Systems

Collect: Collection and Validation

Updating the User Outcome Connection

Building Metrics for the Chatbot Launch

Chapter Recap

Chapter 9: Conducting the Experiment (FIA Step 4, Part 1)

Developing a Culture of Experimentation

Experimenting in Applied Settings

Exploring the Components of an Experiment

Understanding the Spectrum of Experiments

Launching the Experiment

Taking the Experimentation Leap

Chapter Recap

Chapter 10: Generating Insights from Experiment Data (FIA Step 4, Part 2)

Understanding Qualitative Analysis

Turning Qualitative into Quantitative

Understanding Quantitative Analysis

Choosing the Right Analysis

Expanding on the Analysis

Executing the Analysis

Determining the Effectiveness of Tasky

Chapter Recap

Table of Contents

Chapter 11: Actions Based on the FIA Results (FIA Step 5)

- Preparing for the Share-Out
- Determining Actions Based on the Findings
- Building Your Feature Impact Analysis Report
- Chapter Recap

Chapter 12: Starting a Feature Impact Analysis Today

- The Complete Feature Impact Analysis in Review
- You Are Ready to Launch
- Factors to Consider When Choosing a Feature
- Additional Tips
- Chapter Recap

PART 3 Expanding from a Single Project to a Philosophy Change

Chapter 13: Establishing a Path to the Impact Mindset Future

- Activating Research for Impact
- Establishing the Insights Hub
- Reviewing the Impact Mindset Cultural Shift
- Getting to the Ideal State
- Starting Points and Strategy Recommendations
- Chapter Recap

Chapter 14: Building a Strategic Roadmap

- Creating the Path to an Impact Mindset Culture
- Building the Roadmap
- Executing the Fit Gap of Systems
- Triaging System Needs
- Additional Considerations
- Chapter Recap

Chapter 15: Creating a Cultural Change

- Conducting the Cultural Fit-Gap Analysis

Table of Contents

Generating Buy-In Across Groups

Creating Sustained Change

Chapter Recap

Chapter 16: Connecting to a Vision

Establishing a Vision

Defining a North Star

Moving Toward Greater Impact

Chapter Recap
