

5TH EDITION

# SOCIOLOGY

A GLOBAL INTRODUCTION

JOHN J MACIONIS & KEN PLUMMER

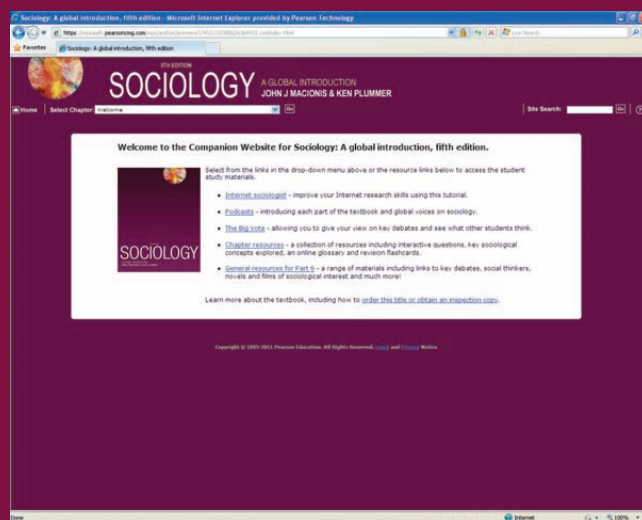

## THE SOCIOLOGY FILES

[www.pearsoned.co.uk/plummer](http://www.pearsoned.co.uk/plummer)

Select from the links in the drop-down menu to access the student study materials.

1. **Internet sociologist** – improve your internet research skills using this tutorial.
2. **Web resources for critical thinking** – links to Part Six of the book. A range of materials that link to films, art and novels of sociological interest. It also includes links to the websites.
3. **Website links** – a major listing of websites of interest to sociologists.
4. **Chapter resources** – a collection of resources including PowerPoint slides for use in classes, interactive questions, an online glossary and revision flashcards.
5. **Reading supplements** – a selection of short pieces to read which will add to each chapter.
6. **Tutor's section** – some comments chapter by chapter which may be of particular interest to tutors.
7. **Podcasts** – introducing each part of the textbook and global voices on sociology.
8. **The Big Vote** – allowing you to give your view on key debates and see what other students think.
9. **The Sociology Blog** – check this regularly for current and 'hot' topics to update your knowledge.
10. **Pearson** – learn more about the textbook, including how to order this title or obtain an inspection copy.
