Play

Childrens friendships

Summary

Review questions

Recommended reading

Recommended websites

Chapter 13 Adolescence

Learning outcomes

Introduction

A brief history of adolescence

Physical changes during adolescence

Cognitive development and changes in the teenage years

Social development in the teenage years

Mental health in adolescence

Sex and relationship behaviour in adolescence

Summary

Answers to puzzles

Review questions

Recommended reading

Recommended websites

Section IV Clinical/applied aspects

Chapter 14 Developmental psychology and education

Learning outcomes

Introduction

Table of Contents

Understanding development within social contexts
The application of developmental theory in classrooms
Five themes of developmentally appropriate provision
Summary
Review questions
Recommended reading
Recommended websites

Chapter 15 Understanding bullying

Learning outcomes
Introduction
What is bullying?
Involvement in bullying
Theoretical perspectives on bullying
Tackling bullying: methods of intervention and prevention
Summary
Review questions
Recommended reading
Recommended websites

Chapter 16 Atypical development

Learning outcomes
Introduction
What is atypical development?
Assessment
Disorders of development
Therapy and intervention
Summary
Review questions
Recommended reading
Recommended websites

Chapter 17 Attention deficit hyperactivity disorder (ADHD)

Learning outcomes
Introduction
Introduction to attention deficit hyperactivity disorder
ADHD across the lifespan
Co-morbidity and associated impairments in ADHD
What causes ADHD?
Treatment for ADHD
Future directions in ADHD research

Table of Contents
