Ethical dilemma Is social loafing unethical?

Case incident 1 Brainstorming: A lousy idea for ideas?

Case incident 2 The dangers of groupthink

Endnotes

## **Chapter 10: Understanding Work Teams**

Food for thought: Lessons from the kitchen for executives

Reflection

Why have teams become so popular?

Differences between groups and teams

Facts the facts Team working

Types of teams

Problem-solving teams

Self-managed work teams

Cross-functional teams

Virtual teams

Multiteam systems

Creating effective teams

OB in the news Teamwork gives us added personbyte

Context: what factors determine whether teams are successful

gLOBal Developing team members trust across cultures

Team composition

Team process

Myth or science? Team members who are hot should make the play

Turning individuals into team players

Employability AND Work teams

Beware! Teams aren't always the answer

Summary

Implications for managers

Point/Counterpoint To get the most out of teams, empower them

Questions for review

Experiential exercise Composing the perfect team

Ethical dilemma It's easy to be unethical when everyone else is

Case incident 1 Pressure to be a team player

Case incident 2 Team building: sociable climbing

# **Table of Contents**

Endnotes

## **Chapter 11: Communication**

Communication: the difference between life and death?

Reflection

Functions of communication

gLOBaL Multinational firms adopt English as global language strategy

The communication process

Direction of communication

Downward communication

Upward communication

Lateral communication

Organizational communication

Formal small-group networks

The grapevine

Modes of communication

Oral communication

Written communication

OB in the news How best to protect your employees from internet trolls

Face the facts Communication

Nonverbal communication

Choice of communication channel

Channel richness

Choosing communication methods

Information security

Employability AND Communication

Persuasive communication

Automatic and controlled processing

Interest level

Prior knowledge

Personality

Message characteristics

Barriers to effective communication

Filtering

Selective perception

Information overload

Emotions

Language

# **Table of Contents**

Silence

Communication apprehension

Lying

Myth or science? People are good at catching liars at work

## **Cross-cultural communication**

Cultural barriers

Cultural context

A cultural guide

## **Summary**

Implications for managers

Point/Counterpoint Social media presence

Questions for review

Experiential exercise An absence of nonverbal communication

Ethical dilemma Defining the boundaries of technology

Case incident 1 Communicating at Go Fly

Case incident 2 Using social media to your advantage

Endnotes

## **Chapter 12: Leadership**

Christine Lagardes advice? Grit your teeth and smile

Reflection

What is leadership

Trait theories

Myth or science? You need to be popular to be an effective leader

Behavioural theories

Summary of trait theories and behavioural theories

OB in the news Leadership in small and medium enterprises

Contingency theories

Fiedler model

Other contingency theories

Leader-member exchange (LMX) theory

Charismatic leadership and transformational leadership

Charismatic leadership

Employability AND Leadership

Transformational leadership

Authentic leadership: ethics and trust

# **Table of Contents**

What is authentic leadership?

Ethical leadership

Servant leadership

Trust and leadership

gLOBal Leaders broaden their span of control in multinational organizations

## **Leading for the future: mentoring**

Mentoring

## **Challenges to the leadership construct**

Leadership as an attribution

Substitutes for and neutralizers of leadership

Online leadership

## **Finding and creating effective leaders**

Selecting leaders

Training leaders

Face the facts Leadership

## **Summary**

## **Implications for managers**

Point/Counterpoint Leaders are born, not made

## **Questions for review**

Experiential exercise What is a leader?

Ethical dilemma Rewards for failure?

Case incident 1 The right stuff: Jeff Bezos of Amazon

Case incident 2 Who makes the best leaders: Europeans or North Americans?

## **Endnotes**

## **Chapter 13: Power and Politics**

Sepp Blatter: the most powerful man in football

## **Reflection**

A definition of power

Contrasting leadership and power

## **Bases of power**

Formal power

Personal power

Which bases of power are most effective?

## **Dependency: the key to power**

The general dependency postulate

What creates dependency?

# **Table of Contents**

## Power tactics

- gLOBal Influence tactics in China

## How power affects people

## Politics: power in action

- Definition of organizational politics

- Face the facts Politics in the workplace

- The reality of politics

- Myth or science? Power breeds contempt

## Ethical dilemma Is it unethical to lie, deceive or collude during negotiations?

## Case incident 1 Easily offended?

## Case incident 2 The complexities of negotiation

## Endnotes

## Chapter 15: Foundations of Organization Structure

## This organization is dis-organization!

## Reflection

## What is organizational structure?

Work specialization

Departmentalization

Chain of command

Span of control

Centralization and decentralization

Formalization

## Common organizational designs

The simple structure

# Table of Contents

The bureaucracy

Myth or science? Hierarchies are a thing of the past

The matrix structure

## New design options

The virtual organization

The boundaryless organization

gLOBal The world is my corporate headquarters

The leaner organization: downsizing

OB in the news Volkswagen cost cuts will test Herbert Diess

## Why do structures differ?

Organizational strategy

Organization size

Technology

Environment

Employability AND Structure

## Organizational designs and employee behaviour

Face the facts Work organization

## Summary

## Implications for managers

## Point/Counterpoint The end of management?

## Questions for review

## Experiential exercise Dismantling a bureaucracy

## Ethical dilemma Ethical concerns of deskless workplaces

## Case incident 1 New demands on managers and organizations

## Case incident 2 How have organizational structures changed?

## Endnotes

## Chapter 16: Organizational Culture

A culture out of this world: Mars Inc.

## Reflection

## What is organizational culture?

A definition of organizational culture

Culture is a descriptive term

Do organizations have uniform cultures?

Strong versus weak cultures

Face the facts Organizational culture

Culture versus formalization

# **Table of Contents**

## **What do cultures do?**

- The functions of culture
- Culture creates climate
- The ethical dimension of culture
- Culture and innovation
- Culture as an asset
- Culture as a liability
- Institutionalization

## **Creating and sustaining culture**

- How a culture begins
- Keeping a culture alive

The leadership role of HR

Designing and administering benefit programmes

Drafting and enforcing employment policies

Managing worklife conflicts

Mediations, terminations and layoffs

Summary

# **Table of Contents**

Implications for managers

Point/Counterpoint Social media is a great source of new hires

Questions for review

Experiential exercise Evaluating performance and providing feedback

Ethical dilemma Is it unethical to shape your curriculum vitae (CV)?

Case incident 1 Sack the poor performers!

Case incident 2 The end of the performance appraisal?

Endnotes

## **Chapter 18: Organizational Change and Stress Management**

Lego: King of the castle

Reflection

Forces for change

Planned change

Resistance to change

- Overcoming resistance to change

- Employability AND Change

- The politics of change

- Myth or science? Change is easier when you are in a crisis

Approaches to managing organizational change

- Lewins three-step model

- Kotters eight-step plan for implementing change

- Action research

- Organizational development

- gLOBal The state of perpetual change

Creating a culture for change

- Stimulating a culture of innovation

- Creating a learning organization

- Organizational change and stress

Work stress and its management

- What is stress?

- Face the facts Work-related stress

- Potential sources of stress

- Individual differences

- Cultural differences

- Consequences of stress

- Managing stress

# **Table of Contents**

OB in the news High cost of mental health problems forces employers to act

Summary

Implications for managers

Point/Counterpoint Managing change is an episodic activity

Questions for review

Experiential exercise Strategy and change

Ethical dilemma Is using manipulation to drive change unethical?

Case incident 1 When companies fail to change

Case incident 2 Preventing burnout and stress at Siemens, Belgium
