Contents

Part one Introduction

### 1 What Is Agricultural Economics?

Scope of Economics

Scarce Resources

Making Choices

Definition of Economics

Microeconomics versus Macroeconomics

Positive versus Normative Economics

Alternative Economic Systems

Definition of Agricultural Economics

What Does an Agricultural Economist Do?

Role at Microeconomic Level

Role at Macroeconomic Level

Marginal Analysis

What Lies Ahead?

Summary

Key Terms

Testing Your Economic Quotient

References

Graphical Analysis

### 2 The U.S. Food and Fiber Industry

Indices

What is the Food and Fiber Industry?

Changing Complexion of Farming

Physical Structure

Specialization, Diversification, Organization, and Contracting

Productivity

Profitability

# Table of Contents

Financial Structure

## Other Sectors in the Food and Fiber Industry

Farm Input Suppliers

Food Processors, Wholesalers, and Retailers

Value-Added Process

Fiber Manufacturers

Shippers and Handlers

Importance of Export Markets

Summary

Key Terms

Testing Your Economic Quotient

References

## Part two Understanding Consumer Behavior

### 3 Theory of Consumer Behavior

#### Utility Theory

Total Utility

Marginal Utility

Law of Diminishing Marginal Utility

#### Indifference Curves

Concept of Isoutility

Marginal Rate of Substitution

#### The Budget Constraint

Summary

Key Terms

Testing Your Economic Quotient

Reference

### 4 Consumer Equilibrium and Market Demand

#### Conditions for Consumer Equilibrium

#### Changes in Equilibrium

Changes in Product Price

Changes in Other Demand Determinants

#### The Law of Demand

Market Demand

Interpretation of Market Demand

#### Tastes and Preferences

Composition of the Population

Attitudes toward Nutrition and Health

Food Safety

Lifestyles

# Table of Contents

Technological Forces

Advertising and Promotion

## Consumer Surplus

Summary

Key Terms

Testing Your Economic Quotient

Reference

## 5 Measurement and Interpretation of Elasticities

Own-Price Elasticity of Demand

Income Elasticity of Demand

Cross-Price Elasticity of Demand

Other General Properties

Some Real-World Examples

Applicability of Demand Elasticities

Applicability to Policymakers

Applicability to Farmers

Applicability to Consumers

Applicability to Input Manufacturers

Applicability to Food Processors and Trade Firms

Summary

Key Terms

Testing Your Economic Quotient

References

## Part three Business Behavior and Market Equilibrium

### 6 Introduction to Production and Resource Use

Conditions for Perfect Competition

Classification of Inputs

Land

Labor

Capital

Management

Important Production Relationships

The Production Function

Total Physical Product Curve

Marginal Physical Product Curve

Average Physical Product Curve

Stages of Production

Assessing Short-Run Business Costs

Total Costs and the TPP Curve

# Table of Contents

Average Costs and the APP Curve

Marginal Costs and the MPP Curve

## Economics of Short-Run Decisions

Marginal and Average Revenue

Level of Output:  $MC = MR$

Level of Resource Use:  $MVP = MIC$

## What Lies Ahead?

Summary

Key Terms

Testing Your Economic Quotient

## 7 Economics of Input and Product Substitution

### Concept and Measurement of Isoquants

Rate of Technical Substitution

### The Iso-Cost Line

### Least-Cost Use of Inputs for a Given Output

Short-Run Least-Cost Input Use

Effects of Input Price Changes

### Least-Cost Input Use for a Given Budget

### Long-Run Expansion of Input Use

Long-Run Average Costs

The Long-Run Planning Curve

### Economics of Business Expansion

Capital Variable in the Long Run

### Concept and Measurement of the Production Possibilities Frontier

Production Possibilities Frontier

Product Substitution

### Concept and Measurement of the Iso-Revenue Line

### Profit-Maximizing Combination of Products

Choice of Products in the Short Run

Effects of Change in Product Prices

### Summary

### Key Terms

### Testing Your Economic Quotient

### Reference

## 8 Market Equilibrium and Product Price: Perfect Competition

### Derivation of the Market Supply Curve

Firm Supply Curve

Market Supply Curve

Own-Price Elasticity of Supply

# Table of Contents

Producer Surplus

## Market Equilibrium Under Perfect Competition

Market Equilibrium

Total Economic Surplus

Applicability to Policy Analysis

## Adjustments to Market Equilibrium

Market Disequilibrium

Length of Adjustment Period

Cobweb Adjustment Cycle

## Summary

## Key Terms

## Testing Your Economic Quotient

# 9 Market Equilibrium and Product Price: Imperfect Competition

## Market Structure Characteristics

Number of Firms and Size Distribution

Product Differentiation

Barriers to Entry

Economic Environment

Classification of Firms

## Imperfect Competition in Selling

Monopolistic Competition

Oligopoly

Monopoly

Comparison of Alternative Market Structures

Welfare Effects of Imperfect Competition

## Imperfect Competition in Buying

Monopsony

Oligopsony and Monopsonistic Competition

## Market Structures in Livestock Industry

## Governmental Regulatory Measures

Legislative Acts

Ceiling Price

Lump-Sum Tax

Minimum Price

## Summary

## Key Terms

## Testing Your Economic Quotient

## References

# Part four Government in the Food and Fiber Industry

# **Table of Contents**

## **10 Natural Resources, the Environment, and Agriculture**

### **Agriculture and the Environment**

Water Pollution

Air Pollution

Global Climate Change

Other Environmental Impacts

### **Economics of the Environment**

Efficient Property Rights

Efficiency and Externalities in Agriculture

Environmental Policies

### **The Economics of the Resources of Agriculture**

### **Soil Quality and Quantity**

### **The Economics of Soil Conservation**

Characteristics of Soil

Discounting and Present Value Analysis

The Present Value of Soil Resources

Practice: The Dust Bowl

### **Water as an Economic Asset**

### **Government Policies for Agriculture, Natural Resources, and the Environment**

Soil Erosion Policies and the Conservation Reserve Program

Other Federal Incentive Programs for Agricultural Conservation

Environmental Regulations

The Endangered Species Act

### **Summary**

### **Key Terms**

### **Testing Your Economic Quotient**

### **References**

## **11 Government Intervention in Agriculture**

### **Rationale for Government Intervention**

### **Farm Economic Issues**

Historical Perspective on the Farm Problem

Forms of Government Intervention

### **Consumer Issues**

Adequate and Cheap Food Supply

Nutrition and Health

Food Safety

Food Subsidies

### **Historical Support Mechanisms**

Loan Rate Mechanism

Set-Aside Mechanism

# **Table of Contents**

- Target Price Mechanism
- Countercyclical Payments Mechanism
- Conservation Reserve Mechanism
- Commodities Covered by Government Programs

Phasing Out of Supply Management

Domestic Demand Expansion Programs

Importance of Export Demand

- Summary
- Key Terms
- Testing Your Economic Quotient
- References

## **Part five Macroeconomics of Agriculture**

### **12 Product Markets and National Output**

Circular Flow of Payments

- Barter Economy
- Monetary Economy

Composition and Measurement of Gross Domestic Product

Consumption, Savings, and Investment

- Determinants of Planned Consumption
- Determinants of Planned Saving
- Determinants of Planned Investment

Equilibrium National Income and Output

- Aggregate Expenditures
- The Keynesian Cross
- Deriving Aggregate Demand Curve
- Aggregate Supply and Full Employment
- Recessionary and Inflationary Gaps

What Lies Ahead?

- Summary
- Key Terms
- Testing Your Economic Quotient
- References

### **13 Macroeconomic Policy Fundamentals**

Characteristics of Money

- Functions of Money
- Money versus Near Monies
- Backing of Money

Federal Reserve System

- Organization of the Federal Reserve System
- Functions of the Federal Reserve System

# Table of Contents

Monetary Policy Instruments

## Changing the Money Supply

Creation of Deposits

Monetary Policy and the Money Supply

## Money Market Equilibrium

Demand for Money

Equilibrium Conditions

## Effects of Monetary Policy on the Economy

Transmission of Policy

Combating Recessionary Gaps

Combating Inflationary Gaps

Microeconomic Perspectives

## The Federal Budget

Federal Expenditures

Federal Receipts

Budget Deficit

## The National Debt

National Debt and GDP

Ownership of National Debt

Burdening Future Generations?

## Fiscal Policy Options

Automatic Policy Instruments

Discretionary Policy Instruments

Fiscal Policy and Aggregate Demand

Combating Recessionary Gaps

Combating Inflationary Gaps

## Summary

## Key Terms

## Testing Your Economic Quotient

## References

# 14 Consequences of Business Fluctuations

## Fluctuations in Business Activity

Nature of Business Fluctuations

Indicators of Economic Activity

## Consequences of Business Fluctuations

Unemployment

Inflation

Short-Run Phillips Curve

## Macroeconomic Policy Options

Laissez-faire Macroeconomic Policy

# Table of Contents

Demand-Oriented Macroeconomic Policy

Supply-Oriented Macroeconomic Policy

Summary

Key Terms

Testing Your Economic Quotient

References

## 15 Macroeconomic Policy and Agriculture

A Historical U.S. Perspective

The Big Five

Rate of Inflation

Rate of Interest

Rate of Unemployment

Rate of Growth in Real GDP

Rate of Foreign Exchange

Impacts of Macroeconomic Policy Actions on the General Economy

The Real Economy

The Monetary Economy

Macro-Market-Micro Linkage

Impacts of Macroeconomic Policy Actions on Agriculture

Effect of Expansionary Monetary Policy

Effect of Contractionary Fiscal Policy

Microeconomic Performance Implications

Implications for Imperfect Competition

Implications for Other Sectors in the Food and Fiber Industry

Summary

Key Terms

Testing Your Economic Quotient

Reference

## Part six International Agricultural Trade

### 16 Agricultural Trade and Exchange Rates

Growth and Instability in Agricultural Trade

Export Boom and Bust

Moves toward Trade Liberalization

The Importance of Agricultural Trade

Increased Export Dependence

Greater Dependence on Imports

The Composition of Agricultural Trade

The Role of Agricultural Exports

The Role of Agricultural Imports

# **Table of Contents**

## Direction of U.S. Agricultural Trade

- Major Export Markets

- Major Import Suppliers

## U.S. Agricultural Trade Performance

- The Balance of Trade

## Exchange Rates and the Foreign Exchange Market

- Exchange Rates Defined

- The Foreign Exchange Market

## The Balance of Payments

- The Current Account

- The Capital Account

- Financial Account

- The United States as a Debtor Nation

## The International Monetary System

- The Gold Standard and the Interwar Years

- The Bretton Woods System

- The Present International Monetary System

- The European Monetary System

- The European Union and the European Monetary System

## Exchange Rate Determination

- Demand and Supply of Foreign Currencies

- Relative Interest Rates

- Changes in Relative Prices

- Balance of Trade Impacts

- The Role of Expectations

## Exchange Rates and U.S. Agricultural Trade

- Exchange Rate Indices

- Exchange Rate Impacts on Prices

## Considerations for Policy Coordination

- Macroeconomic Policy Coordination

- Domestic Agricultural Policy Coordination

## Summary

## Key Terms

## Testing Your Economic Quotient

## References

## 17 Why Nations Trade

### Why Trade?

### Absolute Advantage

- Comparative Advantage

- Factors Affecting Comparative Advantage

# **Table of Contents**

Comparative Advantage and Competitive Advantage

## **Gains from Trade**

The Importance of Exchange and Specialization

Distribution of the Gains from Trade

## **Summary**

## **Key Terms**

## **Testing Your Economic Quotient**

## **References**

# **18 Agricultural Trade Policy and Preferential Trading Arrangements**

## **Trade and Welfare**

Autarky or the Closed Economy

Trade and Partial Equilibrium

Welfare Gains from Trade

## **Why Restrict Trade?**

Protectionism in Agriculture

Arguments against Trade

## **Trade Restrictions**

Import Policies

Domestic Agriculture and Food Policies

Export Policies

## **Agricultural Trade Policy Making**

The General Agreement on Tariffs and Trade and the World Trade Organization

The United Nations Conference on Trade and Development

U.S. Agricultural Trade Policy Formulation

The Economic Policy Council

## **The Importance of Preferential Trading Arrangements**

## **Forms of Economic Integration**

## **Reasons for Preferential Trading Arrangements**

Counter Economic and Political Power in Other Parts of the World

Reduce Side Effects

Foster Political Stability and Economic Prosperity

## **Do Preferential Trading Arrangements Create or Divert Trade?**

Static Effects

Dynamic Effects

## **Summary**

## **Key Terms**

## **Testing Your Economic Quotient**

## **References**

## **Glossary**
