About the Author

About Our Sustainability Initiatives

1. This Is Geography

Key Issue 1: Why Is Geography a Science?

Introducing Geography

Cartography: The Science of Mapmaking

Contemporary Geographic Tools

Doing Geography: Data Collection & Mental Mapping

Whats Your Geography?

Table of Contents

Interpreting Maps

The Geographic Grid

Key Issue 2: Why Is Each Point on Earth Unique?

Place: A Unique Location

Region: A Unique Area

Culture Regions

Key Issue 3: Why Are Different Places Similar?

Scale: Global and Local

Space: Distribution of Features

Space: Cultural Identity

Space: Inequality

Connections: Diffusion

Connections: Spatial Interaction

Debate It! GPS location services: On or off?

Key Issue 4: Why Are Some Actions Not Sustainable?

Geography, Sustainability, and Resources

Sustainability and Earth's Physical Systems

Geography, Sustainability, and Ecology

Sustainable Environmental Change

Sustainability & Our Environment: The Everglades

Summary & Review

Key Terms

2. Population and Health

Key Issue 1: Where Are the World's People Distributed?

Introducing Population and Health

Population Concentrations

Population Density

Key Issue 2: Why Is World Population Increasing?

Natural Increase

Births and Deaths

Doing Geography: The Future Population of the World

What's Your Population Geography?

The Demographic Transition

Key Issue 3: Why Do Some Places Face Health Challenges?

Health and Gender

Health and Aging

Table of Contents

Medical Services

The Epidemiologic Transition

Key Issue 4: Why Might Population Increase in the Future?

Population and Resources

Debate It! Can Earth's resources support our growing population?

Population Futures

Sustainability & Our Environment: Japan's Population Decline

Epidemiologic Futures

Family Futures

Summary & Review

Key Terms

3. Migration

Key Issue 1: Where Are the World's Migrants Distributed?

Introducing Migration

International Net Migration

International and Internal Migration

Changing U.S. Immigration

Key Issue 2: Where Do People Migrate Within a Country?

Interregional Migration in the United States

Interregional Migration in Other Large Countries

Intraregional Migration

Key Issue 3: Why Do People Migrate?

Cultural Reasons for Migrating

Environmental Reasons for Migrating

Migrating to Find Work

Gender and Age of Migrants

Key Issue 4: Why Do Migrants Face Challenges?

Government Immigration Policies

U.S. Quota Laws

Doing Geography: Claiming Ellis Island

What's Your Migration Geography?

U.S.-Mexico Border Issues

Sustainability & Our Environment: The Immigration View from Mexico

Debate It! Immigration reform: Tougher controls or legal status?

Europe's Immigration Crisis

Summary & Review

Table of Contents

Key Terms

4. Folk and Popular Culture

Key Issue 1: Where Are Folk and Popular Leisure Activities Distributed?

Introducing Folk and Popular Culture

Origin, Diffusion, and Distribution of Folk and Popular Culture

Geographic Differences Between Folk and Popular Culture

Doing Geography: Time Use Surveys

Whats Your Leisure Activity?

Origin and Diffusion of Folk and Popular Music

Origin and Diffusion of Folk and Popular Sports

Key Issue 2: Where Are Folk and Popular Material Culture Distributed?

Elements of Material Culture

Folk and Popular Clothing

Debate It! Should Europe accept face covers for women?

Folk Food Customs

Popular Food Preferences

Folk and Popular Housing

Key Issue 3: Why Is Access to Folk and Popular Culture Unequal?

Diffusion of TV and Internet

Diffusion of Social Media

Challenges in Accessing Electronic Media

Key Issue 4: Why Do Folk and Popular Culture Face Sustainability Challenges?

Sustainability Challenges for Folk Culture

Sustainability Challenges for Popular Culture

Sustainability & Our Environment: Golf Courses

Summary & Review

Key Terms

5. Languages

Key Issue 1: Where Are the Worlds Languages Distributed?

Introducing Languages

Language Families

Two Largest Language Families

Other Large Language Families

Key Issue 2: Where Did English and Related Languages Originate and Diffuse?

Distribution of Indo-European Branches

Origin and Diffusion of Indo-European

Table of Contents

Origin and Diffusion of English

Global Importance of English

Official Languages

Debate It! Should English be the official language of the United States?

Key Issue 3: Why Do Individual Languages Vary Among Places?

English Dialects

U.S. Dialects

Dialect or Language?

Sustainability & Our Environment: Gender Differences in Language

Multilingual Places

Key Issue 4: Why Do Local Languages Survive?

Endangered Languages

Preserving Languages

Isolated and Extinct Languages

New and Growing Languages

Doing Geography: Finding a New Language

Whats Your Language Geography?

Summary & Review

Key Terms

6. Religions

Key Issue 1: Where Are the Worlds Religions Distributed?

Introducing Religions

Global Distribution of Religions

Distribution of Christians

Distribution of Muslims and Buddhists

Distribution of Ethnic Religions

Distribution of Other Religions

Key Issue 2: Why Do Religions Have Distinctive Distributions?

Origin of Christianity and Islam in Southwest Asia

Origin of Buddhism and Hinduism in South Asia

Historical Diffusion of Religions

Recent Migration of Christians

Migration of Muslims and Jews

Key Issue 3: Why Do Religions Organize Space in Distinctive Patterns?

Places of Worship

Religious Settlements and Toponyms

Table of Contents

Doing Geography: Distribution of Religions

Whats Your Geography of Religions?

Administration of Space

Sacred Space in Universalizing Religions

The Landscape in Ethnic Religions

Religious Calendars

Key Issue 4: Why Do Territorial Conflicts Arise Among Religious Groups?

Challenges for Religions in South and East Asia

Sustainability & Our Environment: Communist China and the Dalai Lama

Challenges for Religions in Central and Southwest Asia

Geographic Perspectives in the Middle East

Jerusalem's Challenging Geography

Debate It! How do perspectives on the separation barrier differ?

Summary & Review

Key Terms

7. Ethnicities

Key Issue 1: Where Are Ethnicities Distributed?

Introducing Ethnicities

Ethnicity and Race

Doing Geography: Ethnicity and Race and the Census

Whats Your Ethnic Geography?

Distribution of U.S. Ethnicities

Ethnic Enclaves

Ethnically Complex Brazil

Key Issue 2: Why Do Ethnicities Have Distinctive Distributions?

International Migration of Ethnicities

Internal Migration of African Americans

Segregation by Race

Key Issue 3: Why Might Ethnicities Face Conflicts?

Ethnicities and Nationalities

Dividing Ethnicities

Ethnic Diversity in Asia

Key Issue 4: Why Do Ethnic Cleansing and Genocide Occur?

Forced Migration in Europe

Ethnic Cleansing in Bosnia & Herzegovina

Ethnic Cleansing Elsewhere in the Balkans

Sustainability & Our Environment: Geographic Evidence of Ethnic Cleansing

Table of Contents

Ethnic Cleansing and Genocide in Africa

Ethnic Cleansing and Genocide in Central Africa

Debate It! Should the United States intervene in ethnic conflicts?

Summary & Review

Key Terms

8. Political Geography

Key Issue 1: Where Are States Distributed?

Introducing Political Geography

Challenges in Defining States

Key Issue 2: Why Are Nation-States Difficult to Create?

Development of States

Nation-states and Multinational States

Sustainability & Our Environment: Rising Oceans and the Future of Nauru

Russia: The Largest Multiethnic State

Nation-States in the Former Soviet Union

Colonies

Key Issue 3: Why Do Boundaries Cause Problems?

Cultural Boundaries

Geometric Boundaries

Physical Boundaries

Shapes of States

Governing States

Electoral Geography

Debate It! Should independent commissions decide boundaries?

Geography of Gerrymandering

Doing Geography: Dueling Gerrymandering in Nevada

Whats Your Political Geography?

Key Issue 4: Where Do States Face Threats?

Global Cooperation and Competition

Competition and Cooperation in Europe

Terrorist Attacks Against the United States

Terrorist Organizations

State Support for Terrorism

Summary & Review

Key Terms

9. Food and Agriculture

Table of Contents

Key Issue 1: Where Did Agriculture Originate?

Introducing Food and Agriculture

Subsistence and Commercial Agriculture

Key Issue 2: Why Do People Consume Different Foods?

Diet and Nutrition

Source of Nutrients

Key Issue 3: Where Is Agriculture Distributed?

Agricultural Regions and Climate

Subsistence Agriculture in Dry Regions

Subsistence Agriculture in Tropical Regions

Subsistence Agriculture in Population Concentrations

Fishing

Sustainability & Our Environment: Asian Carp and Chicagos Economy

Commercial Agriculture: Crop-based

Commercial Agriculture: Mixed Crop and Livestock

Commercial Agriculture: Animal-based

Key Issue 4: Why Do Farmers Face Sustainability Challenges?

Losing Agricultural Land

Improving Agricultural Productivity

Conserving Agricultural Resources

Doing Geography: California Agriculture and Water

Whats Your Food and Agriculture Geography?

Applying Biotechnology to Agriculture

Debate It! Should GMOs be labeled?

Global Food Trade

Global Agriculture and Undernourishment

Sustainable Agriculture

Summary & Review

Key Terms

10. Development

Key Issue 1: Why Does Development Vary Among Countries?

Introducing Development

A Decent Standard of Living

Access to Knowledge

Health and Wealth

Key Issue 2: Where Are Inequalities in Development Found?

Table of Contents

Unequal and Uneven Development

Gender Inequality

Gender Empowerment and Employment

Reproductive Health

HDI and Gender Inequality

Doing Geography: Comparing HDI and GII

Whats Your Development Geography?

Key Issue 3: Why Do Countries Face Challenges to Development?

Two Paths to Development

World Trade

Debate !! Should countries adopt the international trade approach?

Financing Development

Development Challenges During Hard Times

Key Issue 4: Why Are Countries Making Progress in Development?

Fair Trade Standards

Measuring Progress

Sustainability & Our Environment: Sustainable Development Goals

Summary & Review

Key Terms

11. Industry and Energy

Key Issue 1: Where Is Industry Distributed?

Introducing Industry and Energy

Industrial Regions

Key Issue 2: Why Are Situation and Site Factors Important?

Situation Factors: Proximity to Inputs

Situation Factors: Proximity to Markets

Changing Situation Factors: Steel

Truck, Train, Ship, or Plane?

Site Factors in Industry

Changing Site Factors: Clothing

Key Issue 3: Why Do Industries Face Resource Challenges?

Energy Supply

Demand for Energy

Fossil Fuel Reserves

Petroleum Futures

Nuclear Energy

Energy Alternatives

Table of Contents

Solar Energy

Air Pollution

Water Pollution

Solid Waste Pollution

Key Issue 4: Why Are Industries Changing Locations?

Emerging Industrial Regions

Industrial Change in Developed Countries

Skilled or Unskilled Labor

Debate It! Should the U.S. government buy domestic- or foreign-made clothes?

Doing Geography: National Origin of Clothing

Whats Your Industrial Geography?

Recycling and Remanufacturing

Sustainability & Our Environment: Remanufacturing

Summary & Review

Key Terms

12. Services and Settlements

Key Issue 1: Where Are Services Distributed?

Introducing Services and Settlements

Key Issue 2: Where Are Consumer Services Distributed?

Central Place Theory

Hierarchy of Consumer Service

Market Area Analysis

Debate It! Is Walmart good or bad for a settlement?

Doing Geography: Locating Supermarkets and Food Deserts

Whats Your Retail Geography?

Periodic Markets

Sustainability & Our Environment: What Types of Services Are Airbnb and Uber?

Key Issue 3: Where Are Business Services Distributed?

Hierarchy of Business Services

Business Services in Developing Countries

Economic Specialization of Settlements

Key Issue 4: Why Do Services Cluster in Settlements?

Services in Rural Settlements

Services in Early Urban Settlements

Percent Urban

Size of Urban Settlements

Summary & Review

Table of Contents

Key Terms

13. Urban Patterns

Key Issue 1: Why Are Downtowns Distinctive?

Introducing Urban Patterns

The Central Business District

Competition for Space in CBDs

Key Issue 2: Where Are People Distributed in Urban Areas?

Models of Urban Structure

Applying the Models in North America

Applying the Models in Europe

Pre-modern Cities in Developing Countries

Applying the Models in Developing Countries

Changing Urban Structure of Mexico City

Key Issue 3: Why Do Urban Areas Expand?

Origin and Growth of Suburbs

Suburban Sprawl

Suburban Segregation

Legacy of Public Transport

Reliance on Motor Vehicles

Key Issue 4: Why Do Cities Face Sustainability Challenges?

The City Challenged

The City Renewed

The City Contrasted

Doing Geography: Market Segmentation: You Are Where You Live

Whats Your Urban Geography?

Debate It! Can a declining city be stronger by shrinking?

The City Cleaned

Sustainability & Our Environment: Regional Variations in Electricity

The City Controlled

Summary & Review
