

Fk Work LET'S PLAY**

**Do What You Love
and Get Paid for It**

JOHN WILLIAMS

Praise for *F**k Work, Let's Play*

'A compelling 10-step escape from corporate life that could spell a rash of resignation letters'

The Sunday Times

'Get paid to play? What a promise! But John Williams delivers. He teaches you the secrets of truly loving your work. Revolutionary!'

Suzy Walker, Editor-in-Chief, *Psychologies*

'Inspiring, actionable, and a lot of fun to read, John Williams's book takes you step by step from discovering the work you'd really enjoy doing to getting paid well for it.'

Daniel H. Pink, author of *When*, *Drive*, and *To Sell is Human*

'John Williams has an inspiring, actionable book that will show you how to start your own business, create your ideal job, or launch a movement to change the world.'

Nir Eyal, bestselling author of *Hooked* and *Indistractable*

'Brilliant! A much healthier and more fun approach to work that we all need now, with concrete steps to make the change. I'm gifting this to my friends that have lost the plot.'

Derek Sivers, author of *Anything You Want*

'I read the first edition of this book when it was published in 2010. John Williams was way ahead in showing readers how they could create their own businesses in small, manageable steps, based on whatever they love to do. Ten years later, I'm delighted to see that a new edition has been published. So much has changed in that time. Thanks to technology and the coronavirus pandemic, there are now yoga teachers earning more online than they ever did in a physical yoga studio. The most unlikely people now have global person brands,
