Group discussion activities

Organisational behaviour in action case study

Chapter 13 - Personal skills and employability exercise

Notes and references

## Part 5 Focus on organisational environment

### 14 Organisational culture and change

Overview topic map: Chapter 14 - Organisational culture and change

Adapting to change

What is organisational culture?

Types of organisation culture

Levels of culture

Influences on development of culture

Culture and organisation control

Importance of culture

National and international culture

Case study - Brazil

# Table of Contents

Organisational climate

Organisational change

Resistance to change

Do people welcome change?

Managing change

Getting people to accept change

Summary - Chapter 14 'Organisational culture and change'

Group discussion activities

Organisational behaviour in action case study

Chapter 14 - Personal skills and employability exercise

Notes and references

## **15 Strategy, corporate responsibility and ethics**

Overview topic map: Chapter 15 - Strategy, social responsibility and ethics

The importance of strategy

Organisational ideologies and principles

Vision and mission statements

Management of opportunities and risks

Organisational goals

Corporate social responsibilities (CSR)

Organisational stakeholders

The UN global compact

Values and ethics

Ethics and corporate social responsibility

Business ethics

Codes of business conduct (or ethics)

An integrated approach

Human rights in business

Summary - Chapter 15 'Strategy, corporate responsibility and ethics'

Group discussion activities

Organisational behaviour in action case study

Chapter 15 - Personal skills and employability exercise

Notes and references

## **16 Organisational performance and effectiveness**

Overview topic map: Chapter 16 - Organisational performance and effectiveness

Organisational performance and management

# **Table of Contents**

Employee engagement and commitment  
The nature of organisational effectiveness  
The learning organisation  
Total quality management (TQM)  
The balanced scorecard
