# LEGAL ENGLISH

'This is a much needed text and should be on the reading list of all students who need to get to grips with language issues.'

Dr Sharon Hanson, PhD, Senior Lecturer in Law,  
Department of Law and Criminal Justice Studies, Canterbury Christ Church University

'I would recommend this book to students who intend to study law and need to learn legal language.'

Alison Chisholm, Sussex Centre for Language Studies, Sussex University

'This book fills a very important gap and will be gratefully appreciated by both students and teachers of legal English. It is an authoritative introduction to a field which is becoming more and more significant internationally.'
